THE JAMMU AND KASHMIR ENTRY TAX ON GOODS
(AMENDMENT) BILL, 2016

[L. A. Bill No. 2 of 2016.]

A Bill to amend the Jammu and Kashmir Entry Tax on Goods Act, 2000.

Be it enacted by the Jammu and Kashmir State Legislature in the Sixty-seventh Year of the Republic of India as follows :—

1. *Short title and commencement.*—(1) This Act may be called the Jammu and Kashmir Entry Tax on Goods (Amendment) Act, 2016.

(2) It shall come into force from the date of its publication in the Government Gazette.

2. *Amendment in section 3, Act No. IV of 2000.*—
In sub-section (1) of section 3 of the Jammu and Kashmir Entry Tax on Goods Act, 2000,—

(i) clause (i) of proviso shall be omitted ; and

(ii) clauses (ii) and (iii) shall be renumbered as clauses (i) and (ii) respectively.

STATEMENT OF OBJECTS AND REASONS

As per section 3 of Entry Tax Act on Goods Act, 2000, the entry tax is collected on goods the value of which not exceeds Rs. 5000/-. With the change in trend in the business techniques the online shopping has become quite common and consumers prefer buying goods from companies like jabong, snapdeal, amazon, flipkart, myntra, shopclues, telebrands, e-bay, rediffshop, sulekha etc. delivering goods at destination booked through their online portals. Statistics collected from the minor checkpoint (passenger side only) show that most of the consignments are shown below Rs. 5000/-, and hence no entry tax can be levied. In case of the passenger side minor checkpoint at Jammu Railway Station only, per day billing of consignment below the value of Rs. 5000/- is Rs. 15-18 lacs. Further, the local trade is being hit by such transactions and the dealers dealing in sale and purchase of mobile phones have approached Commercial Taxes Department and represented that the online invoices being competitive have taken over the market as they do not pay any tax and incur any other incidental expenses.

It is also apprehended that the online delivery is split into several bills so as to reduce the value of invoice to avoid entry tax. For example, if consumer has booked goods for Rs. 20,000/- and has sought delivery of 05 goods, separate 05 invoices showing the value of goods below Rs. 5000/- value are issued.

In this backdrop we may think of doing away with the limit for levy of entry tax or reducing the same so as to enhance the tax base and boost revenue collection. If we enhance the taxable imports of Rs. 15.00 lacs per day, we will get additional revenue on account of entry tax about 1 lac per day which comes to Rs. 30.00 lacs per month and Rs. 3.50 crores per year from passenger side only. It is to bring to your notice that huge quantity of such online goods is cleared at Airport of Jammu and Kashmir and at Lakhanpur also. This resource needs to be trapped looking into the changing trade practices of the

companies. Further, more players like Reliance and TATA are also in a process of resorting to same kind of trade practice which will further have the affect of giving jolt to our tax collection. It is pertinent to mention that the registered dealers (importers) are paying tax on all the commodities bought by the consumers irrespective of the price of commodity.

Hence the Bill.
